UP ASSEMBLY ELECTIONS – 2007 (PHASE – IV)

PVCHR

The U.P. ELECTION WATCH is a non-partisan civil society initiative at creating accountable and transparent governance in the State. The UPEW collected affidavits presented by candidates along with their nomination papers and analyzed them for better comprehension by the Voter. Details of findings up to the 4th phase nominations were released to the Media and Civil Society organizations on 19th of April at Lucknow and simultaneously at other places in the state.

We solicit your cooperation in disseminating candidate background information throughout the State.

Fourth phase of UP Assembly Elections-2007 covers **57** constituencies, falling under 10 districts of the state. These districts, with a total population of 2.30 crore (13.84% of State's total popn), account for 14.14% of total number of constituencies.

In this phase, there are 1.57 Crore electors, suppose to go for Poll on 23rd of April.

The UPEW has taken into consideration **922** candidates – of these 255 candidates fielded by major political parties, 252 by smaller parties and 415 are independents. Average candidate per constituency works out to be 16.17.

Till the fourth phase the UPEW has analyzed **3368** candidates' background through their affidavits and has ensured timely dissemination of the information among voters

Main findings:

- Encouragingly, there is an increase in no. of women candidates in this phase. There are in all **63** women candidates (6.83%) in the fray in the fourth phase. INC and BJP lead among the parties with 14.2% and 13.4% women candidates respectively.
- There are **116** candidates who have pending criminal cases against them.

Among the major political parties SP has **27** out of 57 (47.36%), BJP, **16** out of 52 (30.76%), INC, **15** out of 56 (26.78%) BSP, **12** out of 57 (21.05%) and RLD **6** out of 33 (18.18%) such candidates in the fray. There are 24 candidates with pending cases among the smaller political parties and the independents.

If we look at the combined figures for candidates with pending cases of the main political parties, SP leads the table with 33.91%, BSP—29.49%, BJP—28.50%, INC—22.51% and RLD—17.83%. Whereas the BSP led this category in the first and second phases, the SP has taken a sound lead over others in the third and fourth phases. This is significant because, it shows the level of dependence of political parties on such candidates and their belief that having pending criminal cases adds to the winnability factor of such candidates.

- There are **24** candidates from the outgoing assembly, who, according to the affidavit submitted by the UP Government to the High Court, have pending criminal cases against them. In this list the INC, BSP and BJP have 1, 1, and 3 candidates respectively, where as the rest, 19 candidates belong to the SP.
- **9** constituencies can be called as 'Red Alert' constituencies, as each has more than 4 candidates having pending criminal cases against them.

These are: Naugarh – 8, Nighasan - 5; Balrampur - 5; Mehndawal - 5; Biswan – 4; Gainsari - 4; Domariaganj - 4; Itawa – 4; Shoratgarh - 4 candidates.

PVCHR

- **45** candidates have declared assets worth more than Rs 1 Crore.

SP leads the list with 12, BSP-9, BJP-7 and INC-6. Till the fourth phase more than 26% candidates belonging to SP and BSP have declared their assets as worth more than a Crore.

Till fourth phase there are 305 candidates who have declared assets worth more than one Crore.

The INC candidate Ajay Pratap Singh from Colonelganj (const. # 147) is the richest in this phase with declared assets worth Rs. 31.86 Crores. He also has the distinction of being the candidate with highest liability.

The INC had also fielded the richest candidate in the third phase. Interestingly, among the top 10 richest candidates list, while the BJP, SP and INC have 1, 1 and 2 candidates respectively, BSP has 4 candidates who have made it to this category.

The average candidate asset list, in this phase, is led by INC with 0.92 Crores, BSP – 0.74 crores, SP – 0.63 crores, BJP – 0.45 crores and RLD – 0.18 crores.

The encouraging trend is that among all the main parties there is a consistent trend to field candidates who are in the age group of 41-60 yrs and are either graduates or above in terms of education. In both the segments it is above 60%.

- **735** candidates out of 922 (79.72%), do not have PAN or have not mentioned it.
- 18 candidates, with liability of more than Rs 4 lakhs, do not have PAN.
- There are 14 candidates who have declared NIL assets. Among these there is one candidate belonging to a major political party (Kalpnath Sonkar, BJP, Nagar East, const #151)
